Flexible Sports &
Wellness Membership
for Cyprus & Greece

ATHLETE

OUR MISSION

A close-up photograph of a person's lower legs and feet. The person is wearing black leggings and is barefoot. They have a tattoo of five black triangles on their right ankle and a purple and white string anklet. They are standing on a light blue mat with an orange border. In the background, other people are visible in a gym or studio setting, some wearing yellow shirts.

Together with our partners, we motivate our members to a sportier and healthier life. We also offer a community and platform which members get to know the best sports locations across the island and can use it easily.

BECOME A PARTNER WITH THE LARGEST SPORTS NETWORK IN CYPRUS & GREECE

- ➔ With Gyma you are under one roof provider of different sports partnered to companies.
- ➔ Gyma was founded in Nicosia January 2021.
- ➔ As the only flexible sport membership in Cyprus & Greece we stand for long term sports network and sustainable business relationships.

Partners Benefits

ADDITIONAL INCOME

Gyma stands for more visits and therefore more revenue. Every visit is paid plus additional products, such as beverages, equipment our members buy on site, is an additional income for you.

MARKETING WITHOUT COSTS

As a partner, you do not incur any costs at the time being. We advertise yo through us and we give the opportunity to new target groups to get to know you as well as recommend it to others.

INCREASED AWARENESS

The visits of the members are paid centrally by us every two weeks.

THE COOPERATION

SIMPLE AND WITHOUT ADDITIONAL EFFORT

1 Booking

The Gyma member books an available slot for your venue using the app.

2 Check - In

Once the collaboration is completed we will send out to you a QR code. The Gyma member will perform self check - in using the QR code and show the confirmation screen to you.

3 Credit Note

You will receive an electronic confirmation of the check-ins and a total bill every two weeks with visit statistics.

We're happy to talk with you the different possibilities for a cooperation.
